

LEGENDA RETI TECNOLOGICHE

-  PUNTI DI PRELIEVO ACQUA
-  LINEA DI APPROVVIGIONAMENTO RETE IDRICA ACQUA FREDDA
-  LINEA RETE IDRICA ACQUA CALDA
-  LINEA ACQUE NERE
-  BOCCHETTE DI SCARICO A PAVIMENTO ESISTENTI
-  GRIGLIE DI SCARICO A PAVIMENTO ESISTENTI
-  NUOVA LINEA SCARICHI DI PRODUZIONE
-  NUOVE BOCCHETTE DI SCARICO A PAVIMENTO
-  NUOVE GRIGLIE DI SCARICO A PAVIMENTO
-  POZZETTI DI ISPEZIONE LINEA SCARICHI DI PRODUZIONE
-  POZZETTO DI PRELIEVO CONDOTTA FOGNARIA NUOVO DEPURATORIO
-  VENTOLE DI ASPIRAZIONE A PARETE
-  CONDOTTA ACQUE METEORICHE Ø 250 IN PUBBLICA FOGNATURA
-  PLUVIALI
-  CADITOIA STRADALE ESISTENTE
-  FOGNATURA ESISTENTE
-  POZZETTO FOGNATURA PUBBLICA ESISTENTE
-  VENTOLA DI ASPIRAZIONE
-  CAPPDA DI ASPIRAZIONE
-  CAMINI DI ESALAZIONE

Architectural floor plan of a dairy processing facility. The plan includes various rooms and utility connections. Key areas include:

- SILOS** (Silos) at the top left.
- SALA LATTE** (Milk Hall) at the top center.
- SALOTTO AD IMMERSIONE** (Immersion Room) at the top right.
- MAGAZZINO STAGIONATURA FORME** (Cheese Aging Warehouse) on the right side.
- VENTOLA DI ASPIRAZIONE** (Exhaust Fan) and **CAPPA DI ASPIRAZIONE** (Exhaust Hood) in the central area.
- LABORATORIO PRODUZIONE RICOTTE** (Ricotta Production Laboratory) in the center.
- CAMINI DI ESALAZIONE** (Exhaust Chimneys) in the center.
- DEPOSITO** (Storage) in the center.
- SALA SPERZOLI** (Dispensing Hall) on the right.
- CONFEZIONAMENTO PACCHI** (Packaging) in the center.
- DEPOSITO IMBALLAGGI** (Packaging Storage) in the center.
- MAGAZZINO** (Warehouse) in the center.
- CELLA FRIGO LATTICINI** (Dairy Refrigerated Room) and **CELLA FRIGO SACCUMI** (Cheese Refrigerated Room) in the center.
- DIS.** (Disposal) in the center.
- SPOGLIATOIO UOMINI** (Men's Changing Room) and **SPOGLIATOIO DONNE** (Women's Changing Room) in the center.
- UFFICIO** (Office) in the center.
- SPAZIO VENDITA** (Sales Space) in the center.
- REPARTO PORZIONATURA** (Portioning Department) in the center.
- CELLA FRIGO PRODOTTI CONFEZIONATI** (Packaged Products Refrigerated Room) in the center.
- W.C.** (Toilet) and **ANTI W.C.** (Antitoxin) in the center.
- ZONA FILTRO INGRESSO FORME** (Form Entry Filtration Zone) in the center.
- ZONA FILTRO USCITA PRODOTTI CONFEZIONATI** (Packaged Products Exit Filtration Zone) in the center.
- allaccio condotta fognaria nuovo depuratore** (New Sewerage Connection to New Purifier) at the bottom left.
- 60384** and **POZZETTO DI PRELIEVO** (Sampling Pit) at the bottom left.
- AL NUOVO DEPURATORE** (To New Purifier) at the bottom left.
- allaccio condotta fognaria nuovo depuratore** (New Sewerage Connection to New Purifier) at the bottom center.
- AL NUOVO DEPURATORE** (To New Purifier) at the bottom center.
- allaccio condotta fognaria nuovo depuratore** (New Sewerage Connection to New Purifier) at the bottom right.
- AL NUOVO DEPURATORE** (To New Purifier) at the bottom right.
- 60389** and **FOGNATURA PUBBLICA ESISTENTE RETE MISTA IN GRAVITA'** (Existing Public Sewerage Network Mixed Gravity) at the bottom right.
- acque bianche** (White Water) at the top right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
- acque grigie** (Grey Water) at the bottom right.
- acque rosse** (Red Water) at the bottom right.
- acque verdi** (Green Water) at the bottom right.
- acque gialle** (Yellow Water) at the bottom right.
- acque blu** (Blue Water) at the bottom right.
- acque viola** (Purple Water) at the bottom right.
- acque marroni** (Brown Water) at the bottom right.
- acque nere** (Black Water) at the bottom right.
